

# A NOTE FROM HOME...

Dear Soldier, Sailor, Airman, or Marine:

As you hold this letter, we want you to know that on this Christmas Day we are praying for you. We are asking God's direction for your life and for His protection over you. We are asking for God to bless you, sustain you and bring you home safely to your family.

We are also thanking God today for your service to each of us in defense of this great nation. Your sacrifice makes it possible for us to enjoy our holiday in peace. For your service, we are grateful.

Know you are thought of this day, and as often as the Lord brings you to mind, we will pray for you.
